

## #6 Dissemination & Communication Quality Report

### 1. Introduction

The quality of dissemination and communication was evaluated through the DISSCOM Evaluation Form, in line with the PQA Guide. The evaluation of dissemination and communication should provide information on the extent to which the project succeeded to distribute results to different project target groups, and involve them in the project activities.

The sixth evaluation was carried out in the period from **08 - 18 June 2022**. And it covers the period from June 2021 until June 2022. The basis for the evaluation were "Dissemination and exploitation plan" and LFM indicators for WP.7.

### 4. Conclusions

The sixth report covered a dynamic period of almost a year in which QA in CPD TOT Training sessions were held.

A large number of participants attended the Policy Making & Advocacy training. The project was widely promoted to educators from the surrounding countries, the conference was attended by over 150 people.

The website is still informative, well organized and contains all the relevant sections and resources. There are still an average of 3 web updates per month and a steady traffic volume of 50-100 monthly visits.
