Academy of Applied Technical and Preschool studies Niš, Department Pirot, Ćirila i Metodija 29, Pirot September 29th and 30th 2022.

Implementation of courses in the local communities (progress report)

Ivana Đorđev, PhD, Tanja Nedimović, PhD, Predrag Prtljaga, PhD Preschool Teacher Training College "Mihailo Palov", Vršac, Republic of Serbia

- □ Key 1: design the courses according to the real needs of practice;
- □ Key 2: create the courses by open learning teams;
- □ Key 3: precisely create a development plan;
- ROOF, which is porous to new ideas, domestic and foreign programs, creators and implementers (The Lifelong Learning Centre);
- □ Key 5: continuous creation.

Held courses (number of realizations: 4)

- □ In the previous cycle, 3 courses were implemented on 4 different dates.
- The course *Models of professional development in the function of strengthening competences for lifelong learning* (program catalog number of the Institute for the Improvement of Education: 493) was held on May 7th, 2022.
- □ The course *Transferable (transversal) skills in education a step ahead* (program catalog number: 641) realized on May 14th and 21st, 2022.
- □ The course *Holistic Approach to Early Development and Learning* of *Preschool Children and "Years of Ascent" − challenges and* perspectives was held on September 24th, 2022.
