Comment:

- Although due to the epidemiological situation, certain trainings were moved and combined, the expected result of them was fully fulfilled.
- The predicted results were fully achieved.
- Absolutely satisfied.

### CONCLUSIONS & RECOMMENDATIONS

*The participants of the work package are fully satisfied with its management.*

*Although due to the current epidemiological situation, in accordance with the foreseen measures, which primarily affected the delay in the implementation and then the merging of 3 trainings into 2, all the results that resulted from these activities led to the complete realization of the project indicators.*

*Due to COVID-19, additional research was designed and conducted in Serbia and Montenegro in order to assess the impact of COVID on CPD education and recommendations for mitigating the impact.*
